Dear Sir:

Applicants respectfully submit this Petition to Revive Unintentionally Abandoned Application under 37 CFR § 1.137(b). The application became abandoned due to Applicants' failure to file a sequence listing complying with 37 CFR § 1.821(c) in response to the Notification of Missing Requirements. The entire delay in filing the required sequence listing from the date of 22 July 2002 until the filing of a grantable petition pursuant to § 1.137(b) was unintentional. Applicants note that no time period was established for submission of the sequence listing in the Notification of Missing Requirements.

Accompanying this Petition is: (A) the required sequence listing in paper and computer readable form, (B) an amendment directing its entry into the specification, (C) the petition fee as set forth in 37 CFR § 1.17(m) of \$130.00 and (D) a request for a extension of time for five months.

Please debit any under payment or credit any overpayment to Deposit Account No. 19-1970.
